MCEE 2019 New Product Competition Winners Announced

Montréal, April 23, 2019 - The winners of the New Products Competition at the MCEE 2019 trade show were announced tonight; innovative products that can increase the efficiency and safety of mechanical and electrical installations.

The jury has awarded the 2019 New Product Competition Grand Prize to Riello's Array Condensing Boiler, which is also the winner in the category "Hydronic Heating and/or Air Conditioning Products".

The winning products can be seen in the [New Product Showcase](#) at MCEE 2019 on Wednesday, April 24 and Thursday, April 25 at Place Bonaventure in Montreal. The two-day trade show is Canada's largest event for the plumbing, hydronics, HVACR, electrical and lighting industries.
